Dogs Not Quarantined Are Shot

Praise Given The Monongahela

City League Nearing End of Season

A small sized but enthusiastic crowd of fans witnessed the twilight ball game last evening at Page park in which the Carnegie Steel for the second time within a week, took the measure of the Pittsburgh Steel team by a score of 8 to 6 The game was featureless with the exception of the numerous errors by both of the teams and the wrangling that caused the game to be called at the end of four and a half innings on account of darkness.

The League leaders started off by scoring a run but did not keep the lead long as the Hoop Mill sluggers scored twice in their half. In the second inning the Steelers scored again and then in the fourth added two more giving them a two run lead With the score 4 to 2 against them the Hoop Mill boys started a rally that netter them six runs in their half of the fourth and this gave them the contest as the best the leaders could do was to add two more in their half of the fifth

The result of the contest brings the league standing to a tie between the Pittsburgh Steel and the Business men and the deciding contest will be staged Saturday afternoon when these two teams meet.

This evening another championship will be staged when the Page Steel and Wire team will clash in the sixth and deciding contest for the championship of the upper Monongahela valley. The local team will be represented by leading players from all parts of the valley, while the Charleroi team will be strengthened by players from the Donora Industrial League.

AEROPLANE MAY BE HERE NEXT WEEK

Judging from present indications Monessen will have an aeroplane company of her own by the first of the month, the Monessen Aeroplane company having disposed of practically all its stock and at a meeting of stockholders to be held probably this week it is expected that the machine will be ordered Five days after the order for the machine has been given the plane will be delivered here and flights will be immediately started. The plane is much larger and of greater horse power that that of Lieut Andrews, which was at Donora last week and will carry several passengers on each trip

Although the nights are cool and the mornings foggy, the days here lately, are exceedingly hot and with no little wind, workers in the mill have found it the most difficult season of the year to remain on duty. Yesterday morning ten of the seventeen mills at the Tin Plate company were forced to shut down before the end of the turn due to members of the crew "playing out" owing to the excessive heat.

Russians Seek Peace

(By United Press)

Riga, Sept. 22--Russia wants complete peace, Adolph Joffe, head of the Soviet commission, told the Polish delegation at the opening of their conferences here.

"Russia want a peace without victory," Joffe said.

He said it was hoped a direct peace could be negotiated with Poland and that a separate government could be reached with the Allies.

John Dombski, head of the Polish delegation, replying to Joffe's statement declared Poland was tired of war an greatly desired peace.

—The corn roast given by the men of the Presbyterian church at the Luce farm last night proved quite a success. A large attendance was present and fresh roasted corn, weiners, pie and cake furnished the menu All enjoyed a good social time

Constable Is After Delinquents

Tax Collector Carl Woodward is after the delinquents and has placed a number of warrants in the hands of Constable F L. Watts, who is losing no time in locating his man and serving the warrant. This adds considerable cost to the obligation but notices have been sent out, and some have neglected to look after the paying of their taxes Mr. Woodward is being urged to get the money in the hands of the treasury and is losing no time to clear his books The warant process will be in force until all delinquents have made full settlement

Publish History of 110th Infantry

The history of the 110th United States Infantry, which has been in preparation for more than a year, has been completed and is being delivered to subscribers This is the most extensive and thorough history ever attempted by any regiment in the United States. It is complete in every respect, no effort or expense having been spared. It is published by a historical committee of officers and men from the regiment and the result is said to be a great credit to their efforts * It is stated that it will excel anything in the field of regimental histories which are now in preparation. The book contains 309 double column pages, printed on the best grade of glazed paper, in large type. It is bound in blue, the infantry color with a red keystone the insignia of the 28th Division, embossed on the cover.

The book is just what its title implies, a history of the 110th regiment. It begins with the organization of the old Tenth Pennsylvania nearly half a century ago Then it traces it down through the years to the days of the Spanish-American War in 1898, when it responded to President McKinley's call for 125 000 volunteers for the war against Spain Its career in the Philippines where it gained fame under Col. A. L. Hawkins as the "Fighting Tenth" is given There is also a record of its components service in later years and to the time it went to the Mexican border and the beginning of the world war, and its connection with the United States Infantry. The entire book is profusely illustrated with photographs

Conference Ends.

(By United Press)

London, Sept 22--A preliminary peace conference here today reported the Polish-Lithuanian peace conference had broke up and that Polish delegates had returned to Warsaw. Resumption of hostilities was said to be imminent. There was no official confirmation of this

F. W Harry of the Pittsburgh Steel company is spending the week in New York City

September Eve

THIRTEEN DOGS KILLED FIRST DAY OF POLICE RAID ON QUARANTINE VIOLATORS

The police department yesterday declared war on all dogs running at large in violation of the recent proclamation of Burgess Stewart, enforcing a dog quarantine, and as a result thirteen canines were killed. The quarantine has been in effect for a week, but some owners of animals failed to pay any attention to its requirements and permitted their dogs to run at large as usual.

Many complaints were received of dogs running at large and the police started out yesterday morning with guns to make a general cleanup and there was a great hurry on the part of some of the owners of dogs to quickly hunt up their animals and hide them away in the house. Thirteen of the unlucky dogs, however, failed to seek shelter and as a result they are on their way to dog Heaven today Most of the animals yesterday were without license and the owners could not be located, while here and there a dog that had probably escaped confinement met death at the hands of the police, but owing to the regulations of the ordinance could not play any favorites.

The war on the stray animals will continue today and until the town has been cleared of the animals that are found roaming about the streets without muzzles or chained. Although no further reports have been received of children being bitten, yet the Board of Health believes precautionary measures should be taken and the proclamation calling for a strict enforcement of the dog quarantine for one hundred days will be carried out.

57 Passengers in One Auto

D. R. Rodgers, the grocer holds the record for having taken the largest delegation of Sunday school children to the services last Sunday morning. He drives a Cadillac car and with the assistance of James Patton, 55 children were loaded on that car at the corner of Schoonmaker avenue and Oneida street and taken to the Christian church on Sixth street The youngsters were both boys and girls and after the car was filled they found places on the running boards, on the hood and hanging on the tires behind.

With Mr. Rodgers as driver, the number was increased to 57 and the trip was made at a very moderate rate of speed The attraction at the church was a special talk to the Sunday school by D. Park Chapman, secretary of the Western Pennsylvania Sunday school association and the attendance was unusually large. Mr Rodgers, without doubt, holds the record for having brought out the largest load of Sunday school children in any one automobile, his closest opponent having reached 17

Poles Are Victors

(By United Press)

Warsaw, Sept. 22--Polish troops have passed over the Russian boundary line in Galicia, according to the comunique issued today

The statement said Polish forces occupied Rovno, several miles beyond the line of demarcation.

Wilmington, Del. Sept 22--Mrs Margaret Hill, 99, familiarly known as "Aunty Hill", was the oldest woman in Delaware to register to vote, according to the records today.

Applegate Trial Was Postponed

The trial of Edward Applegate, charged on oath of Abe Kreger with the larceny of an automobile, was postponed yesterday until Tuesday of next week when additional testimony will be presented and Mr Applegate will present a bill of sale for the machine which he claims as his property According to his statement he purchased the automobile from a local agent and had completed all but five monthly payments when he lost his on with Mr Kreger, following a h the charges were brought against him He was arrested at L ester and was brought back here secured bail release on furnishing bail and expects to prove beautiful ownership at the pre ary hearing on next Tuesday.

Start Offensive

(By United Press)

London, Sept 22--A Moscow wireless today reported Polish d starting a vigorous offensive e fighting was in progress

The London Times commenting on developments of the day, said the Russian rout of Galicia T beyond the boundary

It was reported that Russia had evacuated Baku.

Hungry Guests Ate Much Corn

A great crowd gathered at Kisor's farm yesterday afternoon and evening to partake of the much advertised corn roast, given by the members of Baptist church. It proved all they promised and the cooks used 40 dozen ears of corn, donated by Teddy Kisor, besides 38 dozen buns and weiners and other side lines Ice cream and pop was also sold as a side issue. All enjoyed a great time although the cars were so large that those who went to eat eight dozen only managed to get eight. The committee thanks the Daily Independent and also explains that it was a great undertaking for years to come.

The feature which marred the enjoyment was a little girl who fell off of a swing and broke her arm. The little miss was greatly appreciated by the committee. The members of the committee, Dr Kisor and a great "roaster" by the name of peaches Ben Hazen were born of peaches before him

Gas Fumes Fatal

(By United Press)

White Pine Pa, Sept 22—Escaping gas fumes caused the death of Wm Ross aged 70 years and his wife Mrs Ella Ross aged 70 years at their home here. An investigation was the verdict of police authorities

Dr J H Kreger of Jeannette has returned from Marion, Ohio, where he visited a brother who is very ill with typhoid fever. Senator Harding He called on the Republican candidate and gave him encouragement in the campaign. He said he felt sure of Ohio and would roll up a big Harding majority.

Engineers are Loud in Praise of Mon. River

In the interest of the Pittsburgh route of the proposed Lake Erie and Ohio river ship canal, an inspection trip was made over the Monongahela river yesterday

The party, including Col. W. V. Judson and Major E. M. Markham, of the United States board of engineers, went to West Monessen early yesterday morning. There they all boarded the steamer William Whigham, of the Carnegie Steel company's fleet, and started down the river for Pittsburgh

Although a heavy fog hung over the river, which at times made the mills on the river banks hardly discernible, more than 50 of the leading coal and steel industrial plants bordering the river were pointed out to the Government representatives. The tonnage and capacity of each plant was explained by W H Stevenson, president of the canal commission in the Pittsburgh district.

Donald G Moore, traffic manager of the Chamber of Commerce, furnished the members of the Government board with data of the tonnage which passed through the locks between Pittsburgh and West Monessen in 1919. He declared that 17,000,000 tons of coal valued at $1,100,000,000 passed through the locks. He estimated that more than one million tons of coal will have passed through the locks before the end of 1920.

Colonel Judson seemed impressed by the trip. He said: "The Monongahela river is the most wonderful river in the country and the plants along its banks are afforded ample opportunity for transportation." However, when asked if he did not think the Pittsburgh to Ashtabula route would not offer the best advantages, his reply was that he was "strictly neutral"

A trip over the proposed route of the canal by automobile had been planned for this morning.

Capacity Audience Expected

All indications point to a capacity audience at the High school auditorium tomorrow evening when Col. William Jennings Bryan, the Great Commoner, will deliver a lecture, the first number of the entertainment course held under the auspices of the Board of Trade. Despite the fact that each member of the Board of Trade has received several tickets hundreds of requests have been made for additional tickets, many from out of town and it is certain that seats will be at a premium Season tickets will be sold for $2.00 entitling the holder to admission to all five numbers on the program and these can be purchased at the entrance to the High school auditorium this evening There will be no reservations and first come will be first served in regards to choice seats

Report Curricane Sweeping Coast

(By United Press)

New Orleans, Sept 22—One man was killed and damage which cannot be estimated resulted from the hurricane which struck the Louisiana and Mississippi coast at midnight and swept inland between here and Mobile Wires are down in all directions and no accurate data can be secured on the amount of property damage The huge Louisville and Nashville bridge at Bigoletta was damaged and no trains are being operated on this system. John McFaul was caught in live wires and electrocuted Mobile reports a rising tide and terrific winds.

Senator Harding Rests

By RAYMOND CLAPPER
(United Press Staff Correspondent.)

Marion O., Sept. 22—Senator Harding is all ready off today preparatory to plunging into a strenuous speaking tour which begins tomorrow with a speech to a delegation of dentists and winds up with his return to Marion next Thursday night from a speaking tour that will carry him into Maryland, West Virginia and Kentucky.

The Republican campaign is now entering its final phase and Harding headquarters is astir with preparations for the swing into the home stretch. Both Harding and Cox are said to be putting on their last campaign in Ohio. Harding will make his last speech at Cleveland, except for a possible talk with his neighbors in Marion. Cox is said to be planning on making his final speech in Toledo the same night as Harding speaks at Cleveland.

—Fae Lanier of Pittsburgh, spent yesterday in Monessen on business.

COLLISION IS FATAL TO THREE

(By United Press)

Johnstown, Sept. 22—Three men were killed this morning when two locomotives collided in the Gautier yards of the Cambria Steel company. The dead are Frank Bruneau, engineer; W. H. Walls, fireman and Patrick M. Miller, brakeman. The collision resulted from a misunderstanding of orders which sent two heavily loaded freight trains toward each other on the same tracks. The engines were demolished and fifty-five cars were piled up.

Still Investigating

By L. C. MARTIN
(United Press Staff Correspondent)

Washington, Sept. 22—Phases of campaign activities involving the expenditure of money which up to now have not been in the limelight are to be gone into in the Senate campaign fund investigation which was resumed here today.

When the committee met at 10 a. m. in the Senate official building it was confronted with demands from many quarters that it abandon the plan to wind up the inquiry this week, or shortly thereafter. Letters and telegrams bore new "leads" which the senders promised would open interesting avenues of investigation. The Oklahoma senatorial primary, and activities in Kansas, Illinois, and Missouri have been called to the committee's attention as meriting inquiry.

William Boyce Thompson chairman of the Republican ways and means committee, was scheduled to be the first witness today. Thompson is to be asked concerning G. O. P. money raising in the eastern section which was under his control, including New York, Pennsylvania, Maryland, District of Columbia, Rhode Island and Connecticut.

Sounds Warning

(By United Press)

Washington, Sept. 22.—Price expert Weatherly of the justice department today sounded a warning to sugar dealers not to boost prices.

"There's no excuse for it," he said. "Prospects are good for a plentiful supply of raw and refined sugar"

Weatherly also urged housewives not to be fooled into laying in big stocks of sugar now that prices are down That will create the aspect of a shortage and make it difficult to keep prices at the present level, he said. Sugar has advanced a cent retail in some districts because of this anxiety on the part of housewives to insure a store according to Weatherly.

The present retail prices ranging from 15 to 16 cents per pound, is far above what sugar should bring according to Dr Filbert Stewart, labor department economic expert.

MAKE SUCH CRIMES IMPOSSIBLE

The necessity of taking steps to make a repetition of the crime more difficult is no less important than the apprehension and conviction of the plotters responsible for the explosion of the bomb near J. P. Morgan & Co's.. New York office, with appalling toll of life and destruction of property

First there should be a careful scrutiny of the regulations dealing with the manufacture and transportation of explosives for the purpose of ascertaining if they contain loopholes that should be closed against anarchists and other criminals who desire to use them for nefarious purposes. Possession of T. N. T, with which the bomb was loaded, makes the possessor such a potential, if not actual, menace to the safety of those in his vicinity that none should be allowed to have it except by government license This would work no hardship, for a vast majority of people never have use for T N T, and those who have legitimate reasons for using it should not object to setting forth in detail what they propose to do with it. If a record were available of all possessors of this dangerous substance, the task of tracing that used in the Wall street blast would be greatly simplified.

It was no mere coincidence that this explosion occurred on that particular and famous thoroughfare known as Wall street and that the greatest damage was wrought to the building of a banking firm of world wide reputation. For many years "Wall Street" has been held up by professional demagoguges before impressionable minds as the center and fount of evil. The easiest way to gain the applause and often the votes, of the ignorant, is to assail the "money devils" of "Wall street.' The great financial establishments which have their headquarters in that district have been pilloried by street corner orators and by political stump speakers as the strongholds of special privilege and corruption, fortresses of money lords whose powers extend throughout the country to rob and oppress the "common people"

But terrible as has been the toll of this latest tragedy, the hearts of men are made only stronger by terrorism. Even had the explosive wiped out the entire firm of Morgan and leveled the sub-treasury to the curb, men would merely set about to build again grimly and more securely than before. A world unshaken before the hundred thousand belching guns of Prussionism will not be frightened by the solitary act of a pervert

It all goes to show that society is, after all, more primitive than we think, else it would be able to prevent such outrageous occurrences And it shows, too, that society is more stable than we think, for in the dark it is unafraid

FIXING RESPONSIBILITY

At last the responsibility for the lightning changes in styles for women are to be fixed and the culprits brought to justice. At least F. T Hackney fair price commissioner for Kansas, has thought up a brilliant scheme to settle the long-discussed matter, and to determine whether the manufacturers of clothing and millinery for women change the styles and compel the women to keep buying new clothing or be out of the world—that is, out of the fashion—or whether, as the manufacturers claim, the women themselves ever on the hunt for novelty, demand new styles.

The Kansas man would have a style committee appointed in every county of his state, and on this committee women only would be allowed to serve, women "who fully realize their responsibility to their sex and their nation, to go into this matter and improve practices if necessary and possible. and prevent profiteering."

A letter is addressed to all county attorneys in Kansas by the advocate of the style committee, and their response will be awaited with interest doubtless, not only in Kansas, but also in other states whose men lack the confidence to even suggest a solution of mysteries of woman's dress.

That the fair price commissioner of Kansas believes earnestly and even vehemently in his cause is shown by his declaration that the frequent change of styles is a serious offense against the great mass of womanhood—a henious crime against the millions of mothers, who are stretching their slender means to the uttermost to properly prepare their sons and daughters for life.

WOMEN WILL VOTE FOR HARDING

Senator Harding, in a letter which he sent a few days ago to the organizations of women throughout the country makes a plea for their support of the Republican party on the ground that it is the only party that has a definite program for social service and other matters in which women, perhaps more than me, are interested.

The housing problem has assumed national importance, and the idea that something must be done by the federal government to meet conditions that are doing so much to hamper normal living of practically one-fifth of the population. The Democratic party is asking the support of women on the League of Nations issue, but women are more interested in helping solve domestic problems than in giving their support to a chimerical enterprise of which little can be known that is definite.

The newly enfranchised women of America are most unmindful of the desire of the world for peace, and they are opposed to an alliance that would keep their own country constantly in the shadow of war The women's vote will make the Republican victory in November decisive

NERVOUS PROSTRATOIN

Mrs. J. Christman Proved That Lydia E. Pinkham's Vegetable Compound is a Remedy for this Trouble.

Binghamton, N. Y.—"I was in a very nervous condition for over a year, my mind was gloomy, could see no light on anything, could not work and could not have anyone to see me. Doctor's medicine did not help me and Lydia E. Pinkham's Vegetable Compound was recommended I took it and am now well I recommend it to all afflicted with nervous prostration."—Mrs J CHRISTMAN, 193 Oak Street, Binghamton, New York

The success of Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, is unparalleled It may be used with perfect confidence by women who suffer from nervous prostration displacements, inflammation, ulceration, irregularities, periodic pains, backache, bearing-down feeling flatulency, indigestion and dizziness. Lydia E. Pinkham's Vegetable Compound is the standard remedy for female ills

If there are any complications about which you need advice write in confidence to Lydia E. Pinkham Medicine Co., Lynn, Mass.

Color Brilliance In The Autumn Millinery

The clever and trained use of color in millinery accomplishes amazingly smart effects as all followers of the mode know.

So you will be interested to see how color brilliancy has been used in more or less restrained forms, on many new models just in from New York.

On occasion the color dominates the hat, as in some of the brilliant duvetyns and satins.

We introduce another extensive collection of new millinery types tomorrow.

Attaining The Full Development of Suit Fashions

The section of suits invites you to a selection of styles completely representative of the many lines, lengths and fashion motifs of this many sided suit season.

Individuality is the dominant note of these suit fashions and they are the select lines of select New York stylists.

While fundamentally differing style lines are here for the satisfaction of all figure types, the correctness and originality of the modes may be relied upon.

For they are certified models and the accepted fashions—copies and adaptions from original Paris types by well known New York stylists.

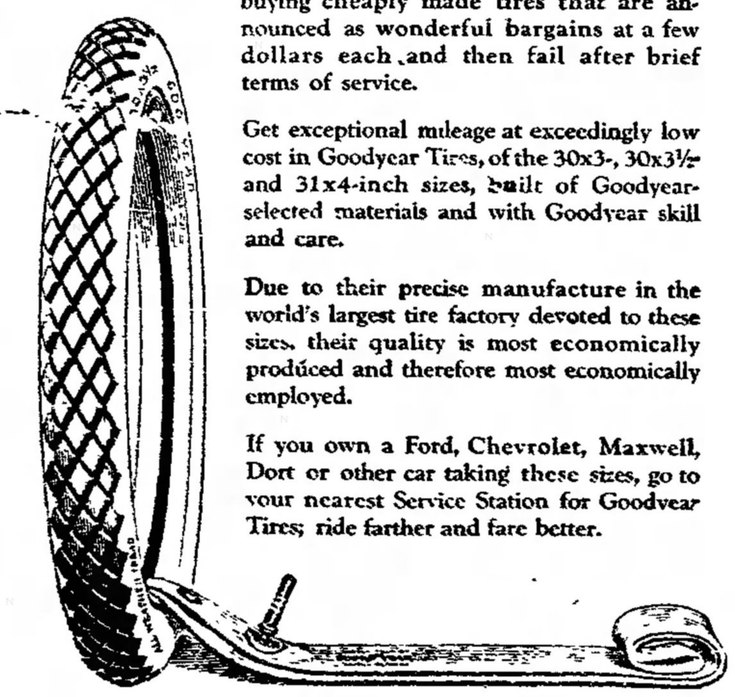
Goodyear Tires for Small Cars Are Popular Because Economical



There is nothing but disappointment in buying cheaply made tires that are announced as wonderful bargains at a few dollars each and then fail after brief terms of service.

Get exceptional mileage at exceedingly low cost in Goodyear Tires, of the 30x3-, 30x3½ and 31x4-inch sizes, built of Goodyear-selected materials and with Goodyear skill and care.

Due to their precise manufacture in the world's largest tire factory devoted to these sizes, their quality is most economically produced and therefore most economically employed.

If you own a Ford, Chevrolet, Maxwell, Dort or other car taking these sizes, go to your nearest Service Station for Goodyear Tires; ride farther and fare better.

30 x 3½ Goodyear Double-Cure Fabric, All-Weather Tread $23.50

30 x 3½ Goodyear Single-Cure Fabric, Anti-Skid Tread $21.50

Goodyear Heavy Tourist Tubes cost no more than the price you are asked to pay for tubes of less merit—why risk costly casings when such sure protection is available? 30 x 3½ size in moisture-proof bag $4.50

Local and Personal Items of Interest

There is no charge for items contributed to this column of the going and coming of people or social happenings. Call 53.

—Mrs. H. N. Odbert of Reed avenue is in Pittsburgh today.

—Mrs. Eli H Wolf of McKee avenue is spending the day in the city.

Mrs. Stephen Monick of Schoonmaker avenue is spending the day in Pittsburgh.

Mr. R. E. McIlvried of Schoonmaker avenue is on a business trip to Louisville, Ky.

—Miss Connie McGinley is resting at her home on Reed avenue after a slight operation.

Mrs. Thomas Gavin of Schoonmaker avenue is visiting in McKeesport with relatives.

—James S. Russell of the Pittsburgh Steel Company is a business vistor in Pittsburgh today.

—R. Westerfield of the Fifth avenue hotel, is spending a few days in Akron, Ohio, on business.

—Mrs. T. O'Donnell of Ontario St. who has been suffering with pleurisy is able to be about again.

—Walter A. Cook, cashier of the Peoples National bank was called to Pittsburgh today on business.

—Paul R. Fox who is employed at Dembo, visited with his mother and sisters on McKee avenue yesterday.

—Mr. and Mrs. James F. Taylor are home from a weeks vacation spent in Philadelphia, New York and other eastern cities.

Attorney Vincent R. Smith is expected to return this evening from an extended vacation in Eastern cities and in Maine.

Palms, ferns and arecas for window decorations or house parties. You can get all you want at Irwin's Flower store, 425 Donner avenue, at reasonable rental. 91-2t

—Mr and Mrs. Roy McShaffrey of Third street motored to Pittsburgh today where they will look after business in connection with the Star theatre.

Mrs E. Elliott returned to her home in Pitcairn yesterday after a visit at the home of her sister, Mrs. Fred Braun of Reed avenue. Mrs. Braun accompanied her as far as Pittsburgh.

B. P. O Elks of Charleroi have issued invitations for an informal dance to be held at their club rooms tomorrow evening. Warring's banjo orchestra of Tyrone will furnish the music.

—Miss Bernette Hook of Canton, Ohio, is here visiting her cousins, Miss Alma Voelker and Carl Voelker, the florist. This is Miss Hook's first visit to Monessen and she is very much pleased with our busy steel city.

—About thirty young couple of the Epworth League of the Methodist church enjoyed a weiner and marshmellow roast at the McClain prove last evening. The guests made the trip to and from the grove in auto trucks.

Rev. Paul A. Weidley, pastor of St. Paul's Lutheran church, left this morning for Altoona, Pa. where he is to officiate at the wedding of a former schoolmate. The wedding will take place on Thursday evening in the First Lutheran church. Rev. Weidley will return home on Friday.

—The Ladies Aid of the First Presbyterian church are planning to hold their annual supper and bazaar in the basement of the Christian church on Saturday evening, December 4th. 90-2t

Maxwell Brothers, local contractors are putting the first coat of plaster on the store room on Sixth street that is to be occupied by the music store of C.H. Wilt. They would have completed the job today but the supply of sand did not hold out and a delay of a day or two may result.

"Made with milk".

National Bread

THE generous size loaves of National Bread win you at first sight. The fine made-with-milk flavor and delicious, tender crumb win you at first taste. And the splendid baked-in keeping quality insures the goodness of every loaf to the last slice. Buy a loaf today for greater bread enthusiasm at home.

NATIONAL BISCUIT COMPANY

The Red Eagle Wrapper Means National Bread

Counterfeit Money

Department of Justice operatives are working day and night in an endeavor to trace the source of the "doctored" currency which is being passed on banks and shopkeepers in the Pittsburgh district. Several thousand "doctored" $10 bills, of the Cleveland Federal Reserve bank currency are reported in circulation in Pittsburgh and vicinity. Fourth avenue banks are finding them among their receipts almost every day.

Cutting the ends off a $10 Federal Reserve note, the culprits are pasting them on $2 bills, thus raising the notes from $2 to $10. The remainder of the mutiliated currency is then evidently sent to the treasury department at Washington for redemption. Acid is used to erase the word "two" from the bill, and the word "ten" is printed in its place.

While the work of converting the bill is martistically accomplished, it is not a hard matter to get them "over," especially through shopkeepers and bank clerks who handle money fast. It is believed that the culprits are sandwiching the "doctored" currency to make their deception successful.

Miss Maud Dunn who returned from Coral, Pa., last Friday, brought back as her guest Miss Helen Edwards of that place.

Fords Reduced

Detroit, Sept. 21.—Re-establishment of pre-war prices on all products of the Ford Motor Company, effective immediately, was announced today by Henry Ford. The price reductions range from approximately 14 per cent on motor trucks to 31 per cent on small automobiles.

In announcing the decision of the company, Mr. Ford, in a formal statement, said:

"Now is a time to call a halt on war methods war prices, war profiteering and war creed It may be necessary for everybody to stand a little sacrifice, but it will be most profitable after all, because the sooner we get business of the country back to a pre-war condition, progress, prosperity and contentment will occupy the attention of the people.

"For the best interests of all it is time that a real practical effort was made to bring the business of the country and the life of the country down to normal. Inflated prices always retard progress."

The announcement said the price reductions were made despite unfilled orders for 146,065 vehicles. There will be no reduction in wages at any of the Ford plants, it was announced.

Registered Notices

The following executors, administrators, trustees and guardians have settled their respective accounts in the office of the Register of Wills in and for Westmoreland County, Pennsylvania, and the same will be presented for confirmation to the Orphans' Court at the Court House, Greensburg, Pa., on Saturday, October 23, 1920.

Pennsylvanians Hold Record For Eating Most Ice Cream

Atlantic City, Sept. 21.—The per capita consumption of ice cream in Pennsylvania is greater than in any other state in the nation, was the announcement made today at the opening session of the fourteenth annual convention of the association of ice cream manufacturers of the Keystone State here today. Robert Crane of Philadelphia is presiding.

During the past five years the average increase in consumption was 35 per cent and in one of these years it was 61 per cent. The past year did not show the average increase and the failure was blamed by Paul Nelson of Portage, near Johnstown, to the weather conditions.

Regarding the effect of prohibition upon the trade, the manufacturers said that they traced considerable growth in business due to the closing of the saloon, but not in the proportion that was predicted.

Jeannette Postoffice Goes From Second Class to First

Greensburg, Sept. 21.—Jeannette postoffice has been advanced from second class to first class, according to word from Washington. Latrobe is reduced from first to second class. Derry moves up from third to second class.

To Hear Pittsburgh's Claim to Water Route

The fate of Pittsburgh's relation to the water route to the Great Lakes will be decided this week by the United States Board of Engineers, which will hear the claims of the Pittsburg district to the Lake Erie and Ohio River Shop Canal. The first session of the Board was held in the rooms of the Chamber of Commerce in Pittsburgh yesterday morning at 10 o'clock. This meeting was attended by persons and corporations interested in this canal route.

A feature of the meeting of the Board of Engineers will be a trip to Lock 4, the members to arrive in a special car attached to the Fairmont express at 10:30 tomorrow morning, where, after an inspection of the lock and its workings, the party will board a boat of the Carnegie Steel company for an inspection trip to Pittsburgh. The members of the Board will be accompanied by committees representing the Canal Board the Chamber of Commerce of Pittsburgh, and other organizations, and the trip is expected to be very impressive in the way of showing the Engineers the commerce and importance of the Monongahela valley.

Cars to Be Cheaper

Cleveland, Sept. 21.—E. S. Jordan of the Jordan Automobile Company, and Charles W. Mears of the Winton Company, said tonight that the reduction in the price of cars by the Ford Motor Co. probably would not be followed by other companies. Mr. Jordan said that the Ford company had the advantage of a large output and of an appeal to a particular trade.

Hold Fight in Montreal

(By United Press)

Montreal, Sept 22--The Georges Carpentier-Battling Levinsky fight, originally scheduled for Ebbets Field, Brooklyn, but postponed, may take place in Montreal if negotiations now being carried on by George Kennedy, local promoter, are successful.

Kennedy, who has staged everything in the way of sports from a hockey game to a wrestling match, got in touch with Frenchman's manager immediately upon hearing that the October 12 fight had been posponed

"I Want Something Good"

That about sums up the average man's clothing preferences. He has no preconceived notions as to style, and, in many cases, as to price.

He may have special leaning towards one color or another—and he may have his particular objection to one or two colors. But, outside of that, he wants "something good."

So, when we sell a man—we make it a point, without telling us, of giving him clothes that insure satisfaction. Just the kind of cut and drape to suit his peculiar "style of beauty."

High-Art Clothes

—they take care of all a man wants to know about clothes. Only here in (Monessen) can you get them
